Temple services to community

From its days in the trailer to today, the Mandir has been providing religious services to Lake County. Devotees can conduct pujas at their homes or in the temple, participate in major festivals and functions, and attend a variety of educational and cultural events at the Mandir.

Here is a partial list of the services:

- Regularly scheduled pujas for all deities.
- Private pujas can be scheduled at the Mandir or at your home.
- Celebration of all major Hindu festivals.
- Discourses on Hindu Philosophy.
- Sunday School classes in Hindu Culture, religion, and language for children.
- Bharatnatyam and Shloka Classes.
- Auditorium available for rental for private functions.
- Prasad from temple kitchen on weekends and special occasions.

The need for members

Since the opening in 2007, the Mandir has grown steadily and is breaking even financially with the support of the devotees. However, the seasonality of revenue and lack of cash reserves is holding back growth.

For the mandir to deepen its roots and to grow we need:

- A stable financial foundation.
- More involvement of the community in governance and activities of the Mandir.

We are looking for 1000 members to commit to a modest donation of \$1/day.

With these committed members, we will become financially stable and grow to serve the community.

You can help realize this vision by committing to donate \$1/day NOW. Come forward now to support your local Mandir and build an institution that will nurture Hindu dharma in Lake County.

Membership details and benefits

For a \$1/day you can avail yourself of the following benefits:

- 4 Archanas at your convenience in the temple (\$48 value)
- Pride in your support for an institution that anchors Hindu Dharma in Lake County (priceless)

Existing members stop by at the mandir office and get your 4 archanas free.
